**Dropped Rounds for scoring in 2019:**

For the 2019 season, participants' two (2) lowest scoring rounds will be disregarded. The remaining rounds will count towards the total points score as per the 2019 LF Performance Speed Event Series Championship Series Regulations.

ie Skipped/Absent round(s) and DNS round(s) will not be deemed as the two rounds to be disregarded for the final points scoring.

The "Dropped 2 lowest points scoring rounds" column in each of the ncr classes points table in this document shows the point scores used to determine the winner in each National Competition Rules (NCR) class.
