Dropped Rounds for scoring in 2019:

For the 2019 season, participants' two (2) lowest scoring rounds will be disregarded. The remaining rounds will count towards the total points score as per the 2019 LF Performance Speed Event Series Championship Series Regulations.

ie Skipped/Absent round(s) and DNS round(s) will not be deemed as the two rounds to be disregarded for the final points scoring.

The "total" column results takes into account rounds where competitors competed but scored no outright points (ie outside the top 20 registered field) where those rounds with a zero point score will be used as the rounds to be disregarded in the scoring.
